New England Council, Inc., PDCA would not exist without the support of our Associates. Their partnership enables us to continue to provide our members with quality educational programs and to address the needs and issues that are relevant to the painting and decorating contractor in New England. In return, we offer our Associate Members recognition in our publications and at our events, discounted exhibitor rates for our annual Trade Show and a listing on our website, including a link to their organization. The benefits for both sides are extremely worthwhile.
